AGAINST BAILEY.

Crawford and Senate

Senator Speak. Wahahachie, Tex., Sept. 23.—Colonol W. L. Crawford and United States Senator E. G. Senter of Dallas made addresses at this city Saturday in criticism of Senator J. W. Bailey.

denounced in vigorous language Senator Bailey's public record. He declarad the senator was not sincere, and that during his long congressional career he had done nothing for the real good of the people. He said no man should be supported for any office from constable up who "indorsed the policies of Joe Bailey or apologizes for his mothods or misdeeds."

In reply to a question Colonel Crawford stated that he had not only voted for "the patriot, martyred president (McKinley)," but had publicly advised his neighbors to do so, rather than vote for "rotten money."

Senator Senter stated that the opponents of Senator Bailey would be active in urging the defeat for office of all candidates who stand for "Bailey and Baileyism," and that they must publicly declare themselves. Senator Senter assured Congressman Beall, who was present, that while he was not an aspirant for congress, that if the representative from the Fifth district aligned himself under the banner of Bailey he (Senter) would apeak in every precinct in the district in advocacy of the defeat of Congressman Beall for re-election.

Senator Senter announced his pur-

"If Bailey thinks I am not representing the will of my constituents in this matter and will sign a pledge to resign his office in the event the neonle of my district in the event the people of my district shall re-elect me, I will resign my of fice as state senator and make th race for re-election next year upor that single issue."
